ORDER:

In the letter read above, the Engineer-in-Chief (R&B) Roads, Hyd., has stated that the proposed bridge is connecting two roads i.e., Km.48/4 of Amalapuram – Bobbarlanka road (core net road) at Uchili and Km.12/8 of Rajavaram – Podalada road (MDR) at Vasantavada across Godavari Central main canal. The Godavari central main canal starts from Dowaleswaram and runs parallel in between these two R&B roads which are very important roads in Konaseema area of East Godavari District. The proposed bridge, across Godavari main canal connecting Utchili and Vasanthawada, i.e., connecting the above two important R&B roads, benefits population residing in surrounding villages such as Vasanthawada, Utchili, Tadipudi, Kattunga, Narkedimilli and Ankampalem for easy transport of large quantities Agricultural products to the nearest markets.

2. He has also stated that the banks on either side of the canal, on which approach roads to be constructed, belong to and are maintained by the Irrigation (PWD) Dept. There is no requirement of LA & shifting of utilities such as electrical poles and water pipe lines. The said canal at the above location is having the Linear Water Way (LWW) of 50mts and hence the bridge is proposed with 5 vents of 10m span for which the cost is tentatively worked for Rs.310.00 lakhs which includes an amount of Rs.7.00 lakhs towards preconstruction activities such as preliminary survey and soil testing charges. Though Irrigation Dept. obtained Administrative sanction for construction of the above bridge across central main canal under modernization of canal, there has been no development since long time.

3. The Engineer-in-Chief (R&B) Roads, Hyd., has requested the Govt. to accord Stage-I Administrative sanction for the work of "Construction of bridge connecting Km.48/6 of Amalapuram – Bobbarlanka road with Km.12/8 of Rajavram – Podalada road across Godavari central main canal in East Godavari District, under Normal State Plan, under PLAN (MDR).

4. After careful examination of the matter, Government hereby accord Stage-I administrative sanction for the work of "Construction of bridge connecting Km.48/6 of Amalapuram – Bobbarlanka road with Km.12/8 of Rajavram – Podalada road across Godavari central main canal in East Godavari District", for an amount of Rs.7.00 lakhs(Rupees seven lakhs only), under Normal State Plan, under Plan MDR Scheme.

6. The Engineer-in-Chief(R&B) Roads, Hyd., shall take further action in the matter accordingly.
